Green & White Supporters Club

Good evening and a special welcome to the players officials and supporters of Weston-Super-Mare.

Tonights match sees the start of our campaign in The Somerset Premier Cup, last season we played Weston away from home in the third round, after poor weather the pitch was rather boggy, but we managed to come out 3-1 winners after two goals from Richard Cooper, and one from Andy Wallace. One of Richards goals must go down as one of the greatest he has ever scored for the club. That victory saw us go on to meet our old rivals Bath City in the semi-final, where we lost to a single goal at Iwerthon.

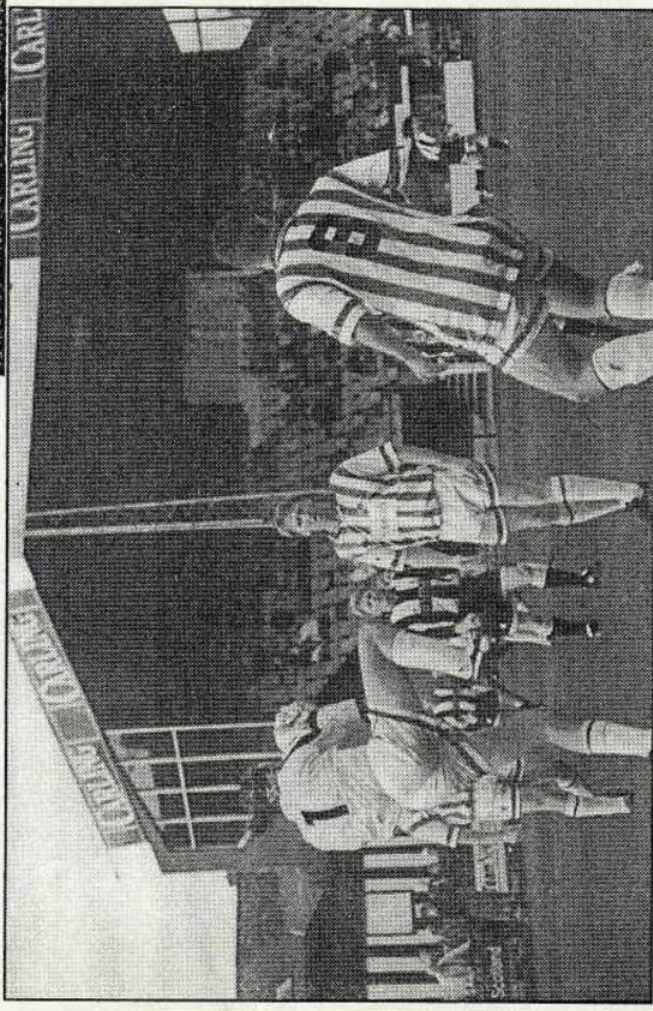

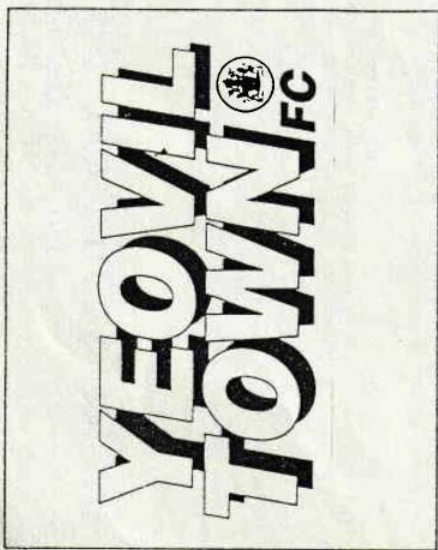

Richard Cooper who scored two goals in last seasons meeting.

In the last programme we asked for articles by you the supporters to be used in this page in the programme, anyone wishing to submit anything should hand it in to a member of The Supporters Club at the portacabin at the back of The Bartlett's stand, or phone the Supporters Club secretary on 0935 32954, articles need to arrive a week before the game at the very latest.
