ANAGENISIS

of Greece

Welcome to Huish Park

This evening we are delighted to welcome as part of our Funday, Anagenisis of Greece. We are most grateful to the directors, players and staff for agreeing to play today.

It will also be an early opportunity for our own fans to see the new players Graham is introducing this season.

We wish our Greek friends a successful tour of the U.K. and hope they have a safe journey home. Hopefully it won't be too long before we have a return match in Greece.
